

GH DESIGNS *at a glance*

Our story

We are storytellers – building agile brands that disrupt the industry standard. We're strategic experts and creative explorers committed to further enhancing marketplace presence by solving complex challenges. With modern technology and a collective team, we create new experiences and open doors to opportunities.

Dynamic design entrepreneur Georgios Hatzikostopoulos started GH DESIGNS in 2013 to provide brands a full-service experience. Offering the necessary tools to not only build but to sustain enterprise organizations.
